Great Results Guarantee

Under this agreement for 2014
Patrick Estate State School will receive $6,316*

This funding will be used to

- The funding will be used to implement a targeted intervention program in the area of phonological awareness and development, in the years 2, 3 and 4 for the calendar year 2014
- The long term goal is to improve the learning outcomes of the students in the areas of spelling, reading and writing.
- The program aims to achieve 100% of eligible students in Years 3 and 5 achieve National Minimum Standard in NAPLAN and to increase to 20% in the U2B in Reading, Spelling and Writing in NAPLAN 2015

Our strategy will be to

- To design and develop an intensive intervention program based around our current Sound Waves Phonological Awareness and Spelling program.
- Employ a teacher to plan, implement, teach and monitor the program
- Teacher Aides will be provided with Professional Development in the areas of spelling and phonological awareness to conduct learning support intervention with the students.
- Regular data will be collected and analyzed in line with the school’s diagnostic assessment framework

Our school will improve student outcomes by

- Fund the part payment of a fraction teacher and additional funds will be allocated to this through FTE funds and budget allocations

*Based on 2013 data. To be updated when 2014 enrolment data is finalised.
